Our Story

Afri•Good•Grow is a global export company of top-quality fresh fruits & vegetables based in Egypt. Our Egyptian / African firm was founded by highly passionate leading experts in the agricultural industry who believe in African nature.

Our main focus is to deliver the highest quality fruits and vegetables from the heart of Egypt to global markets. Afri•Good•Grow Has a wide portfolio of over 28 produce items and focuses on Oranges, grapes, pomegranates, Mangoes, strawberries, potatoes, onions, garlics, cucumbers, tomatoes and peppers.

Our Mission

04

To connect the best fresh produce in Egypt & Africa with global markets, within international standards in a cost-effective manner.

Our Vision

To be the most preferable, most efficient, and most profitable Egyptian & African business partner in the fresh fruits and vegetables categories.

Our Certificates

- Certified FSSC 22000 Food Safety System.
- Certified Global G.A.P Compliance Farmer.

Our Core Values

Quality

We only work with the best and most reliable growers in the region, ensuring compliance with the food safety, quality, and traceability requirements of all of our products.

Sustainability & social responsibility

Afri·Good·Grow sustainably sources its fruits and vegetables, respecting nature and providing growers with a fair return.

Affordability

We are committed to providing our customers with top-quality fresh harvest while minimizing their cost.

Our Core Values

Logistics

We provide premium produce as fresh as the time of harvest.

Integrity

How we deliver results is as important as the results themselves.

Customer care

We're always available for our customers to add value and provide innovative solutions every time without fail.
